

Sackville

Bank & Trust Company Limited

Sackville Yacht Services

This is a service offered by Sackville Bank and Trust Company Limited ("Sackville"). It provides the owners of luxury yachts with advice on fiduciary, banking, registration, insurance and yacht management through their team of professionals based in the Cayman Islands.

Sackville Yacht Services works closely with owners, yacht brokers, lawyers and other professionals worldwide to ensure that all shipping and yacht related needs are met efficiently with the necessary skill and care.

Sackville Yacht Services - Fiduciary & Corporate Service

provides special purposes vehicles to own and maintain luxury yachts. Their services include Trust formation and administration, in addition to Company incorporation and management, providing a registered office, directors, officers, maintenance of all records.

Sackville Yacht Services - Banking

provides clients with private banking and credit facilities in the Cayman Islands to help pay for, maintain and operate their yachts. They can provide both short and long-term credit facilities for their clients at competitive rates.

Sackville Yacht Services - Registration

The Cayman Islands is recognised worldwide for its excellence and efficiency as an international ship registry. The Port of George Town, Grand Cayman, Cayman Islands, established in 1903, is the Port of Registry. All ships registered here are designated British ships and fly the Cayman Islands Marine Ensign.

Sackville Yacht Services - Insurance

provides introductions to the world's leading yacht underwriters.

Insurance cover is required for liabilities of ship-owners, crew members, third parties and claims in respect of loss or damage caused by any cargo. With its regulatory environment and resident insurance professionals, the Cayman Islands is a leading insurance jurisdiction.

Sackville Yacht Services - Legal

Sackville works with a select panel of Cayman Islands lawyers, specialising in both private client and maritime law. We are happy

Sackville, together with the experience and technical expertise of its management team, offer flexible and highly personalized solutions to affluent, successful individuals, their families and institutions, going the extra mile to ensure their needs are addressed.
